

State Nominated Occupation Lists (State Occupations)

List current as of 05/09/2018

This list is available to all applicants, including international graduates of South Australia. Please review the skilled nomination requirements before applying.

If you are an international graduate of South Australia, you should also review International graduate occupation and waiver requirements on the website.

Additional occupations are available on the Supplementary Skilled List. These occupations are only available if you meet the additional requirements detailed on the Skilled Nomination Requirements page.

Please research your employment opportunities thoroughly. It is your responsibility to determine if your occupation requires further training, or if it has registration, licencing, residency or other requirements before you can work in South Australia.

State Nominated Occupation Lists (Supplementary Skilled List)

List current as of 05/09/2018

The Supplementary Skilled List reflects all occupations available on the Commonwealth's Consolidated Sponsored Occupations List (CSOL) that are not available on South Australia's State Occupation List. These occupations are only available if you meet the additional requirements detailed on the Skilled Nomination Requirements page.

Please note that some occupations in this list may have certain barriers to being immediately eligible for employment. Please research your employment opportunities thoroughly. It is your responsibility to determine if your occupation requires further training, or if it has registration, licencing, residency or other requirements before you can work in South Australia. You may also be able to use your skills in related skilled occupations.
